Dear Undergraduate Fresher 2011,

Undergraduate Freshers are expected to live in College for the duration of their first year in rooms which are allocated to them. In order to help us to allocate you the appropriate room please fill in the preference form and submit it online by Thursday 1st September. If the form is not returned to me by the 1st September you will be allocated a room at my discretion. You will receive your room number and Licence Agreement during the week commencing Monday 19th September.

Most Freshers are allocated rooms on Staircases 15, 20 and 22. These are considered to be Freshers' staircases. All bedrooms are single study bedrooms and contain basic furniture such as a bed, wardrobe, chest of drawers, bed side table and set of shelves. There is a mixture of shared and en-suite bathroom facilities. There are small kitchenettes on the three staircases above. Students will need to bring their own crockery and cutlery and bedlinen.

The termly rent for each room varies from between approximately £897 to £1513.

If you are at all concerned about your ability to afford the rents in College, there are lots of people you can contact for help and advice. The College has excellent financial aid provisions and you should contact the Financial Aid Officer for more information (douglas.dupree@balliol.ox.ac.uk) or follow the links on our online Freshers' E-Guide <http://www.balliol.ox.ac.uk/current-members/freshers-e-guide>. You can also e-mail the JCR President (stephen.dempsey@balliol.ox.ac.uk) with any questions or concerns you have.

If you have further queries or would like to discuss your options with me then please do not hesitate to contact me.

Yours truly,

Katie Scheinkonig
