BALLIOL COLLEGE

Nettleship Instrumental Exhibition 2010/2011

The College proposes, if there is a suitable candidate, to elect to a Nettleship Instrumental Exhibition from among the present first year undergraduates who do not already hold an instrumental award. The Exhibition is worth £150 per annum and is renewable annually. Members of College who wish to be considered should write to Mrs Baleham, the Academic Administrator, by Wednesday of 1st week of Trinity Term (28 April 2010), stating their instrument (excluding voice) and giving details of their musical experience and achievements. The choice of the College will be based partly on auditions, which will be arranged some time during 2nd or 3rd week, and partly on general contribution to the musical life of the College.
