BALLIOL COLLEGE SCHOLARSHIPS

The College seeks to elect as Balliol College scholars up to two students who are UK Research Council Award holders and have a place at Balliol College to read for a higher degree commencing in the academic year 2012-2013. The scholarships are open to candidates reading for any degree for which the College admits, but are awarded only in conjunction with UK Research Council Awards. The UKRC/Balliol College awards cover all University and College fees and an additional grant for living expenses

Applicants must apply to the University of Oxford for admission to a higher degree by the University's second deadline in January, and must apply for a UK Research Council Award.

The Scholarships will normally be awarded to applicants to Balliol (including those who have expressed no college preference but are considered first by Balliol).
