Don’t forget your Library induction!

Balliol College

Welcome to Oxford

Please make sure you attend the Library introduction sessions scheduled for you in week 0 and afterwards. Library induction will help you to:

• Track down the books and articles that you need for your academic work

• Access the extensive online collections: many of the materials are not publicly available on the WWW!

• Find out about ordering materials from the closed book stacks

• Reserving and borrowing items and your loan allowance

• Familiarise yourself with Library services and facilities such as computing, photocopying and scanning

• Find out who can help you to find publications and information

Timetable for undergraduates

Please check the times of your Library induction below. If more than one induction is listed for your subject, please attend at least one session unless otherwise indicated. Note that some subjects have induction times running over two pages.

If you are unable to attend a session or have any questions please contact usered@bodleian.ox.ac.uk
