THE DERVORGUILLA SCHOLARSHIPS

The College seeks to elect one or more female students to be Dervorguilla Scholars. Candidates will have an offer of admission to Oxford University and a place at Balliol College to read for a higher degree commencing in the academic year 2015-2016. The scholarships are open to candidates in the Humanities, Social Sciences, and Maths, Physical and Life Sciences divisions.

The Scholarships may be awarded in conjunction with a UK Research Council award, or may be offered separately. When awarded jointly with a UK Research Council, the Scholarship covers all University and College fees and a grant for living expenses. If the Scholarship is awarded alone, its value will be at the rate of the Graduate College Fee (£2,765 in 2014-15) for the duration of the Scholar's course, subject to satisfactory academic progress being made.

Applicants must apply to the University of Oxford for admission to a higher degree by the University's second deadline in January. No separate application is required to be considered for these awards.
