English Faculty Library

Congratulations on gaining a place to study English at Oxford!

Before you join us in October, we thought you might want to spend some time over the summer familiarising yourself with the range of resources and services available to you in Oxford's libraries, so you're ready to get going when term starts.

Please take a look at our online guide: **http://ox.libguides.com/english-freshers-guide**
(N.B. This link will be live from 1st August)

We look forward to meeting you all at the start of Michaelmas Term.

Hope you have a great summer!
