

THE DERVORGUILLA SCHOLARSHIPS

The College seeks to elect up to three female students to be Dervorguilla Scholars. Candidates will have an offer of admission to Oxford University and a place at Balliol College to read for a higher degree commencing in the academic year 2018/19. The scholarships are open to candidates in the Medical Sciences, Social Sciences, and Humanities divisions.

The Scholarships may be awarded in conjunction with a UK Research Council award, or may be offered separately. When awarded jointly with a UK Research Council, the Scholarship covers all University and College fees and a grant for living expenses. If the Scholarship is awarded alone, its value will be at the rate of the Graduate College Fee (£3,112 for 2018/19).

Awards are made for the full duration of the period of fee liability for the agreed course, subject to satisfactory academic progress being made and are tenable only at Balliol College.

Applicants must apply to the University of Oxford for admission to a higher degree by the University's second deadline in January. No separate application is required to be considered for these awards.
