

The Snell Visitors 1972 - 1999

It was agreed in 1972 that for one term of each academic year Balliol should elect, on the nomination of the Principal and Professors of the University of Glasgow, a Snell Visitor who would be given a study in College or Holywell Manor and be a member of the Senior Common Room during their stay. The scheme continues vigorously, but the Visitors have included many who have come on valued but brief visits, sometimes rather informally, and the College's records are far from complete. It was originally intended to update the previous list, but it seemed better to drop it than update it partially.
